REPORT:

Hefferman Memorial Hospital District SAP/MSR

As the Commission knows, LAFCO at the request of the HMHD retained the services of Braitman and Associates to complete a comprehensive MSR/SAP for the HMHD.

Mr. Braitman has been working on this and has met with various people and groups, including but not limited to the County Auditor, the Pioneer Memorial Hospital and the City of Calexico. He is currently in the process of meeting with HMHD representatives and still obtaining relevant information.

Given the complexity of this District, and given the necessity for unbiased accuracy, the process is taking a little longer than originally envisioned. It is expected that we will have a draft report ready to review with HMHD by end of May and possibly have this on for the June Commission schedule.

Additional information may be available by the hearing date. However if you do have specific questions, please let me know.
