SPECIAL NOTE:

This application was received by LAFCO on January 9, 2015. It was deemed incomplete due to the fact that the City of Imperial had not yet prepared the Land Use and Environmental reviews. The LAFCO according to policy and in an effort to allow for a project to be on "parallel" track "conditionally" accepted the application.

LAFCO has now been informed that the project is being reviewed by the City of Imperial with the first hearing unknown dependent on City land use time for a determination on the CEQA issues. Therefore to commence the completion of the LAFCO process, this certificate of filing is issued pursuant to the express understanding that if the City of Imperial does not complete the processing on the Land Use and Environmental side of the project, the tentative hearing may be continued.
