RE: Service Area Plan/Municipal Service Review

Ladies and Gentlemen:

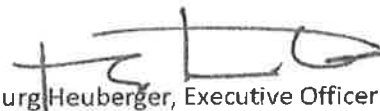

Please consider this letter as our formal notice of intent to commence the process of dissolving the Fire District pursuant to the Cortese Knox Hertzberg Reorganization Act.

We have made a number of requests for you to provide us with information to review your current and prior as well as future municipal services capability. To date that information has not been forthcoming.

Additionally, we have no financial information to show that your district is even remotely financially on solid footings, nor do we have any information to substantiate that you are providing a service or are capable of providing such service.

If you have any questions, please feel free to contact me at 760-353-4115 or by email at jurgh@iclafco.com.

Sincerely,

Jurg Heuberger, Executive Officer
