9/4/2014	HV 2-14	Melon Properties	Holtville	PENDING - Project is active and moving forward with CEQA.	This proposed annexation wishes to incorporate 8.23 acres of property into the City of Holtville to allow public service connections for future multi-family residential development.
11/2/2015	HV 3-15	Bornnt/Osborne Annexation/De-Annexation	Holtville	PENDING - COF on 11/11/15. Pending action by the City prior to LAFCO moving forward.	The jurisdictional boundary adjustment is being requested so that a subsequent legal parcel boundary adjustment (all within the City limits) can be accommodated between the Bornnt property and both aforementioned Osborne properties within the areas remaining in the City limits and so that the remaining County property can have direct access to a public roadway. This subsequent action is proposed to be accomplished via a future lot line adjustment which will allow Alan and Mary Bornnt to obtain a legal title on property currently purchased/leased from Don Osborne. The boundary changes are necessary in order to enable the aforementioned parcels to both have direct access to Bonds Corner Road and accommodate internal maneuvering space for ongoing operations. Prior to substantial investment in the annexation process and other concurrent land use actions, LAFCO has recommended that City Council provide preliminary support of the proposed jurisdictional changes.
