RESOLUTION NO. 2016-19

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF IMPERIAL
APPROVING THE FELIX ANNEXATION, PRE-ZONE AND NEGATIVE
DECLARATION**

WHEREAS, Justo Felix submitted an application for a Pre-Zone and Annexation, hereafter "project," for certain real property having assessor's parcel numbers 044-200-077, 044-200-079, and 044-200-081 and legally described as shown on Exhibit B; and

WHEREAS, a duly notified public hearing was held by the Planning Commission during an adjourned meeting on April 18, 2016 and continued to May 11, 2016; and

WHEREAS, a duly notified public hearing was also held by the City Council during its regular meeting on June 1, 2016; and

WHEREAS, upon hearing and considering all testimony and arguments, examining the Environmental Study, analyzing the information submitted by staff and considering any written and oral comments received, the City Council considered all facts relating to the project.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Imperial as follows:

- A) That the foregoing recitations are true and correct; and
- B) That based on the evidence presented at the public hearing, the City Council hereby **APPROVES** the proposed project subject to the conditions of approval outlined in Exhibit A and based on the following findings:
 - 1. The project has been reviewed in accordance with the requirements set forth by the City of Imperial for implementation of the California Environmental Quality Act and that the project is in compliance with the California Environmental Quality Act, Section 2100 through 21176 of the Public Resources Code.
 - 2. The initial environmental assessment shows that there is no

substantial evidence that the project may have a significant impact on the environment.

3. The proposed project is consistent with the intent of the Imperial General Plan and adopted policies.
4. The proposed project is consistent with the objectives of the City of Imperial Zoning Ordinance.

PASSED, ADOPTED AND APPROVED by the City Council of the City of Imperial, this 1st day of June 2016.

Douglas A. Cox, Mayor

EXHIBIT A
CONDITIONS OF APPROVAL

for

FELIX ANNEXATION AND PRE-ZONE

1. All projects and construction activities shall be subject to final approval by the Planning Commission.
2. The Developer/Applicant shall submit a lighting plan prior to any construction activity. All lighting installed shall be shielded and directed so as to minimize significant off-site glare or adverse light intrusion into neighboring properties. The lighting plan shall be reviewed and approved by the City of Imperial Planning Department and Building Department. The Planning Department may require light reducing techniques such as the installation of fencing, mature landscaping, or directing of lighting toward the ground;
3. Developer/Applicant shall comply with all local, State and Federal laws, regulations, rules, ordinances, and standards as they pertain to this project, whether specified herein or not. Where conflicts occur, the most stringent shall apply.
4. The Developer/Applicant shall offer for dedication all rights of way, easements, or parcels of land required for both on-site and off-site construction of streets, pipelines, utilities and the storm water retention basin.
5. The Applicant shall agree to defend, indemnify and hold harmless the City of Imperial and its agents, including consultants, officers and employees from any claim, action or proceeding against the City or its agents, including consultants, officers and employees to attack, set aside, void, or annul the approval of the Conditional Use Permit. This indemnification obligation shall include, but not be limited to, damages, costs, expenses, attorney's fees, or expert witness costs that may be asserted by any person or entity, including the Property Owner/Applicant arising out of or in connection with the approval of the Conditional Use Permit, including any claim for private attorney general fees claimed by, or awarded to any party from the City.
6. The Developer/Applicant shall pay all applicable impact and capacity fees.
7. The Developer/Applicant shall pay any and all amounts as determined by the City of Imperial to defray all costs for the review of maps, drawings, reports, field investigations, or other activities related to compliance of this project with City ordinances and/or any other laws, regulations, or requirements that apply. No Subdivision Map shall record until such costs have been paid to the City.
8. All maps, plans, studies, cost estimates, designs and calculations required for this project shall be subject to the review and approval of the City Engineer, Department of Public Works and Department of Community Development prior to submittal for approval to record the Subdivision Map.

9. All infrastructure Improvements shall be constructed, or in lieu thereof, security provided to ensure construction, prior to the recordation of a Final Subdivision Map.
10. The Developer shall comply with the City's Water Master Plan to ensure sufficient volume and flow of water. The Developer shall construct new water mains in the project area if necessary and built according to City development standards.
11. The Developer shall comply with the City's Sewer Master Plan to ensure sufficient handling of waste. The Developer shall improve the collection system through the construction of new sanitary sewer mains and lift stations where required and in accordance with City development standards.
12. Prior to the start of any construction activity, a qualified biologist shall survey the site for any active owl burrows. Any burrows found shall be identified and flagged. Burrows shall not be disturbed during the mating season (February 15 to August 15). After the mating season ends, the burrows will be destroyed to prevent the return of the owls to these burrows during the next mating season.
13. The project shall comply with ICAPCD's standard mitigation measures for construction combustion equipment and mandatory Rule VIII to ensure that adequate air quality is maintained.
14. Construction sites shall control dust (PM-10) generation through daily watering in accordance with a dust control plan submitted to and approved by the Air Pollution Control District as required by Imperial APCD Rule 800.
15. A Hydrology Study shall be submitted to the City Engineer for review and approval during the design phase of this project. The Hydrology Study shall determine the need for a pump station and must adequately address drainage for all proposed parcels in compliance with the City's adopted standards.
16. The proposed project and design criteria must provide for the storage capacity of a 100-year storm. If the 100 year storm retention basin is unable to be drained within a 72-hour detention time, a Mosquito Abatement Plan shall also be required.
17. A Grading and Drainage Plan shall be submitted to the City Engineer for review and approval. The Grading and Drainage Plan shall address property grading and erosion control which shall include the prevention of sedimentation or damage to off-site properties. A Storm Water Pollution Prevention Plan (SWPPP) shall be submitted to the City of Imperial for review and approval. Best Management Practices shall be utilized to minimize or prevent storm water pollution.
18. The developer shall reduce potential impacts to the nearby noise-sensitive residential uses. During all project site excavation and grading on-site, the construction contractors shall equip all construction equipment, fixed or mobile with properly operating and maintained mufflers, consistent with the manufacturers' standards. The construction contractor shall place all stationary construction equipment so that emitted noise is directed away from the noise sensitive receptors nearest the project site.
19. Construction scheduling for the project area shall be limited to the hours of 7 a.m. and 8 p.m. Monday through Friday with the exception of legal holidays. The Building Department may issue a written "early work permit" if hot or inclement weather creates

a need to start earlier than 7 a.m. The construction contractor shall limit haul truck deliveries to the same hours specified for construction equipment. To the extent feasible, haul routes shall not pass sensitive land or residential dwellings.

20. The conditional approval of the Pre-Zone and Annexation shall not constitute the waiver of any requirement of the City's Ordinances or regulations, except where a condition set forth herein specifically provides for a waiver.
21. The Developer/Applicant shall obtain, pay for and comply with all permits from the Imperial Irrigation District, and other applicable agencies for all improvements within, across, or affecting the respective rights of way.
22. All conditions of approval for this project shall be reprinted and included as a plan sheet(s) with the building permit plan check sets submitted for review and approval. These conditions of approval shall be on, at all times, all grading, landscaping, and construction plans kept on the project site. It is the responsibility of the Applicant to ensure that the project contractor is aware of, and abides by, all conditions of approval. Prior approval from the Planning Department must be received before any changes are constituted in site design, grading, building design, building colors or materials, landscape material, etc.
