CALAFCO White Papers and Other Publications

We are pleased to report several projects completed in the latter part of the year.

DUC Mapping Project Complete

The long awaited disadvantaged unincorporated community (DUC) mapping statewide project is complete and on the CALAFCO website. This map is not intended to supersede any individual LAFCO DUC map but rather to fulfill requirements in SB 244 (Wolk, 2011) of LAFCos statewide needing to map DUCs. CALAFCO wishes to thank Joe Serrano (Monterey) for his assistance in this mapping project. The map can be found on the CALAFCO website in the Resources section.

White Paper Published

In partnership with the Strategic Growth Council (SGC), CALAFCO published a White Paper titled, *Creating Sustainable Communities and Landscapes*. The paper is intended to be a guide for LAFCos, Counties, Cities and other local entities with respect to urban growth boundaries. We wish to thank the authors of the paper including *Ena Lupine*, SGC; *Emily Tibbott*, SGC; *Michael McCormick*, OPR; and *Jessie Hudson*, OPR. The Advisory Working Group included: *Pamela Miller*, CALAFCO; *Neelima Palacherla*, Santa Clara LAFCo; *Michael McCormick*, OPR; *Emily Tibbott*, SGC; *Randall Winston*, SGC; and *Louise Bedsworth*, SGC. Special thanks to *Mark Bramfitt* (Sonoma), *Kai Luoma* (Ventura), *Sara Lytle-Piney* (Stanislaus) and *Neelima Palacherla* (Santa Clara) for their help in developing case studies for each of the four counties.

Each LAFCo received a special bound hard copy of the white paper and it is available on the CALAFCO website.

CALAFCO Legislative Update

The new Legislature will convene January 7. With a new Administration, a super majority and a number of new legislators, 2019 is expected to be unpredictable (more so than usual).

During their December 7 meeting, the CALAFCO Board of Directors deliberated at length about the 2019 legislative priorities. In

the end, they unanimously decided to sponsor an Omnibus bill, try one more time for LAFCo grant funding (a follow up to AB 2258, Caballero from last year) and begin a two-year project on evaluating and possibly amending the protest provisions. The latter two priorities were recommendations in the 2017 Little Hoover Commission report.

CALAFCO has been asked to participate in DWR's County Drought Advisory Group. Our representatives are *Mike McGill* (Contract Costa), *Josh Susman* (Nevada) and *Pamela Miller* (CALAFCO).

CKS Around the State

Monterey LAFCo

CALAFCO was pleased to attend the *Monterey LAFCo* meeting on December 3 to bid farewell to Commissioner *Simón Salinas* after

serving 22 years on the Monterey LAFCo, in honor of his leadership in the CA State Assembly and his contributions to the CALAFCO Board. His countless contributions to LAFCos throughout the state as a result of his many years of public service are greatly appreciated and we wish him well in his retirement.

Riverside LAFCo

It was with mixed emotions we visited Riverside LAFCo on December 6 to honor

Executive Officer George Spiliotis at his last meeting after serving 29 years with his LAFCo and his countless contributions to CALAFCO. The day before there was a celebration in his honor

and sporting one of his more conservative shirt and tie combos, George celebrated with a host of friends and colleagues. We wish George all the best in his retirement.

Contra Costa LAFCo

Contra Costa LAFCo is processing its fourth district dissolution in the last 13 months. Three of the dissolutions were initiated by LAFCo, two of which were/are inactive districts.

El Dorado LAFCo

The staff at El Dorado LAFCo congratulates LAFCo Chair *Shiva Frentzen* on her election as Treasurer to the CALAFCO Board of Directors. We also welcome *Riley Nork*, who started on September 17 as our new Assistant Policy Analyst. Finally, in 2018, LAFCo has held two study sessions on the state of fire protection districts. We thank San Diego LAFCo for lending the expertise of *John Traylor*, who provided valuable insight to this Commission. The next study session will be at the January 23rd meeting where the Commission will be examining various alternative governing models.

Merced LAFCo

After serving as both a city and a county appointed Commissioner for the past 35 years, Supervisor *Jerald (Jerry) O'Banion* is retiring as a Supervisor and therefore as a Merced LAFCo Commissioner. During this unprecedented span he participated in the adoption of the initial sphere of influence reports and all municipal service reviews. Jerry is a believer in control and in agencies answerable to their constituents, firm urban boundaries and agricultural preservation. The Merced LAFCo family wishes him a relaxing well-deserved retirement.

Napa LAFCo

Napa LAFCo is hiring a new Analyst, Dawn Mittleman Longoria, who previously served as Marin LAFCo EO from 1989 to 1998. Dawn also served as a Commissioner for Sonoma LAFCo and was Legislative

Chair for CALAFCO at one time. Dawn worked in her consulting capacity with Pat McCormick recently as the project manager for Santa Cruz LAFCo's Mid-County Fire Agencies Consolidation Feasibility Study and Service Review. Dawn's first day on the job is January 14, 2019.

San Diego LAFCo

San Diego LAFCo is pleased to announce the addition of two new employees. Dieu Ngu started in November 2018 as our new fulltime GIS Analyst. Dieu most recently worked for GIS Surveyors, Inc. and earned a graduate degree in GIS from the University of Redlands. Alex

Vidal is scheduled to start in January 2019 as a fulltime Analyst I. Alex recently finished an internship with the City of Louisville and earned a graduate degree in environmental planning from the University of Georgia.

San Luis Obispo LAFCo

San Luis Obispo LAFCo has been very busy with a variety of typical and unique CKH work. These are some of the things keeping the SLO life interesting:

- Completed the annexation of a 131 acre parcel with 109 acres of prime agricultural land that was surrounded by the City of SLO. This annexation provided conditions requiring that at least 56 acres (amount proposed for conversion) of prime agricultural land (onsite and offsite) be placed in a conservation easement prior to submitting the annexation to the Board of Equalization. The City of San Luis Obispo was great to work with and Mike Prater, Deputy Executive Officer, did a wonderful job of coordinating the pieces to the puzzle.
- Working with the County and District, SLO LAFCo completed the dissolution of the Cayucos Fire Protection District and the activation of fire authority for CSA 10. A changing of the guard ceremony from the Fire District crew to the CAL FIRE/County Fire crew was conducted on December 1st at the Station in Cayucos.

A huge thanks to Donna Bloyd, Commission Clerk, for her dedication to herding all the cats associated with all this good work and being the glue that holds things together. So appreciate her willingness to laugh in the face of it all. Also a warm welcome to Brian Pierik, Burke, Williams and Sorensen, as our new legal counsel!

San Mateo LAFCo

San Mateo LAFCo welcomes Alternate Special District Member Kati Martin and Alternate Public Member James O'Neill. San Mateo LAFCo has also filled the newly created position of Management Analyst and welcomes Rob Bartoli who brings valuable planning and environmental review expertise.

Sierra LAFCo

Sierra LAFCo is seeing activity pick up. They recently approved a large fire district annexation and has another pending with Plumas County for a hospital district.

On the fire district proposal, over one third of the county (east side) was proposed to be annexed into an existing fire protection district based out of Sierraville. This included border communities shared with Washoe County, Nevada (state)

(Verdi and Long Valley) and included new assessments under the County Service Area laws as well as agreements between the district annexing the territory and the fire protection service agency operating out of Washoe County, Nevada (Truckee Meadows Fire Protection District) since this agency already provided professional fire services to its portion of the "border communities" in Nevada. This proceeding removed the County from any fire protection responsibility, included a detailed property tax transfer, and gave structural fire protection and EMS services to several population centers that had no formal fire protection (not within any district). The uniqueness of this "border" issue coupled with the mere size of the annexation stands out.

The second proceeding was the old Sierra Valley Hospital District (a district entirely within the boundary of Sierra County) that formerly operated a hospital in Loyalton. The Hospital and adjacent clinic buildings were sold to Eastern Plumas Health Care District (a district entirely within the boundary of Plumas County) years ago and the hospital was later converted to a skilled nursing facility, operated by EPHC. The Sierra Valley Hospital District continued to collect taxes, pay off bonds that are due to expire in 2023, provide insurance (even though offering no services) and paying for an annual audit (again even though providing no services) and of course, the Board of Supervisors had one heck of a time finding people to serve on the Hospital District Board. EPHC received special legislation to allow out-of-service-area exemption for a period of time while EPHC contemplated annexation of the property located within Sierra County-the Sierra Valley Hospital District. So Plumas LAFCo as principal County and through agreement with Sierra LAFCo is now processing what is best described as a dissolution of the Sierra Valley Hospital District and an annexation of a majority of the former Sierra Valley Hospital District lands into the EPHC district.
