Imperial Local Agency Formation Commission
1122 State Street, Suite D
El Centro, CA 92243

Dear Members of the Imperial County Local Agency Formation Commission,

I am writing to express my interest in serving as the **Alternate Public Member** on the Imperial County Local Agency Formation Commission (LAFCO). With over four decades of public service experience, a deep commitment to good governance, and a passion for community development, I believe I would bring a well-rounded and community-focused perspective to the Commission.

As the Chair for the Business Improvement District Commissioner for the City of Calexico, I had the privilege of working closely with local government agencies, nonprofit partners, and underserved communities to improve public services and quality of life. My experience in municipal operations, policy implementation, and grant writing has provided me with a thorough understanding of the challenges and opportunities faced by local agencies throughout Imperial County.

Currently, I remain actively engaged in community service through my involvement with local nonprofits, including the Calexico Wellness Center. These efforts have further sharpened my awareness of the importance of effective land use, service delivery, and responsible agency coordination—all core to LAFCO's mission.

I am particularly interested in contributing as an alternate member to ensure continuity, responsiveness, and inclusivity in LAFCO's decision-making process. I value collaboration, transparency, and thoughtful planning that promotes long-term public benefit.

Thank you for considering my application. I would be honored to support LAFCO's work in guiding the orderly development and efficient delivery of public services in our region. Please feel free to contact me if any additional information is needed.

Sincerely,

Blanca E Morales
