Local Agency Formation Commission of Imperial County
Attn: Mr. Jurg Heuberger
1122 State Street, Suite D
El Centro, CA 92243

We are pleased to confirm the arrangements of our engagement and the nature of the services we will provide **the Local Agency Formation Commission of Imperial County** (the "Entity").

ENGAGEMENT OBJECTIVES

We will audit the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information, which collectively comprise the Entity's basic financial statements as of **June 30, 2021 through 2024** and for the year then ended, and the related notes to the financial statements.

Accounting Standards generally accepted in the United States of America ("US GAAP") provide for certain required supplementary information ("RSI"), such as management's discussion and analysis ("MD&A"), to supplement the Entity's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Government Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the Entity's RSI in accordance with auditing standards generally accepted in the United States of America ("US GAAS"). These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by US GAAP and will be subjected to certain limited procedures but will not be audited.

1. Management's Discussion and Analysis
2. Schedule of the Plan's Proportionate Share of the Net Pension Liability
3. Schedule of Plan Contributions
4. Schedule of Revenues, Expenditures and Changes in Fund Balance Budget and Actual – General Fund

OUR RESPONSIBILITIES

The objective of our audit is the expression of an opinion as to whether the financial statements are fairly presented, in all material respects, in conformity with US GAAP and to report on the fairness of the additional information referred to above when considered in relation to the financial statements taken as a whole.

We will also provide a report, which does not include an opinion on, internal controls related to the financial statements and compliance with the provisions of laws, regulations, contracts, and grant agreements, noncompliance which could have a material effect on the financial statements as required by *Government Auditing Standards*. The report on internal control and compliance

will include a paragraph that states the report is solely to describe the scope and testing of internal control over financial reporting and compliance, and the results of that testing and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance and the results of that testing and that the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering internal control over financial reporting and compliance and that the report is not suitable for any other purpose.

Audit

Our audit will be conducted in accordance with US GAAS, the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our audit will include tests of the accounting records and other procedures we consider necessary to enable us to express such an opinion and render the required reports. We cannot provide assurance that an unmodified opinion will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion or add an emphasis-of-matter or other-matter paragraph. If, for any reason, we are unable to complete the audit, or are unable to form or have not formed an opinion, we may decline to express an opinion or withdraw from this engagement.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts (e.g., tests of the physical existence of inventories, direct confirmation of certain assets and liabilities by correspondence with selected customers, creditors, and financial institutions, etc.). We may also request written representations from the Entity's attorneys as part of the engagement, and they may bill the Entity for responding to this inquiry.

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from errors, fraudulent financial reporting, misappropriation of assets, or violations of laws or governmental regulations that are attributable to the Entity or to acts by management or employees acting on behalf of the Entity.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal controls, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements may exist and not be detected by us, even though the audit is properly planned and performed in accordance with US GAAS. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. We will inform the appropriate level of management and those charged with governance of any material errors, fraudulent financial reporting, or misappropriation of assets that comes to our attention. We will also inform the appropriate level of management and those charged with governance of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential, and any material abuse that comes to our attention. Our responsibility, as auditors, is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Internal Control

Our audit will include obtaining an understanding of the government and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards and *Government Auditing Standards*.

Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the Entity's compliance with the provisions of applicable laws, regulations, contracts, agreements, and grants. However, the objective of our audit will not be to provide an opinion on overall compliance, and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

The services described above do not relieve management or those charged with governance of their responsibilities.

THOSE CHARGED WITH GOVERNANCE

The preparation and presentation of the financial statements of the Entity are the responsibility of management with oversight from those charged with governance. Those charged with governance are also responsible for overseeing the strategic direction of the Entity and any obligations related to its accountability, resolving disagreements between management and us regarding financial reporting, appointing us to perform the services described above, and informing us about all known or suspected fraud involving the Entity. In turn, we will provide those charged with governance with any communications required by the professional standards described above.

MANAGEMENT'S RESPONSIBILITIES

Management is responsible for all management decisions and performing all management functions, and for designating an individual, preferably from senior management, with suitable skill, knowledge, or experience to oversee these services, any bookkeeping services, tax services, or other services we provide. Management is responsible for evaluating the adequacy and results of the services performed and accepting responsibility for them.

Management is responsible for making all financial records and related information available to us and for the accuracy and completeness of that information. Management is also responsible for providing us with (a) access to all information they are aware of that is relevant to the preparation and fair presentation of the financial statements, (b) additional information that we may request for the purpose of this engagement, and (c) unrestricted access to persons within the Entity from whom we determine it necessary to obtain information.

Management is responsible for establishing and maintaining internal controls, including monitoring ongoing activities, for the selection and application of accounting principles, for the safeguarding of assets, and for the preparation and fair presentation of the financial statements in conformity with US GAAP even though we may assist management with their preparation. Accordingly, management may be required to acknowledge in the written representation letter our assistance with preparation of the financial statements and that management has reviewed and approved the financial statements and related notes prior to their issuance and has accepted responsibility for them.

Management is responsible for adjusting the financial statements to correct material misstatements and for confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

Management is responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the Entity involving (a) management, (b) employees who have significant roles in internal controls, and (c) others where the fraud could have a material effect on the financial statements. Management is also responsible for informing us of any known allegations of fraud or suspected fraud affecting the Entity received in communications from employees, former employees, regulators, or others. In addition, management is also responsible for identifying and ensuring that the Entity complies with applicable laws, regulations, contracts, agreements, and grants and for taking timely and appropriate steps to remedy any fraud, illegal acts, violations of contracts or grant agreements, or abuse that we may report.

During the course of our engagement, we will request information and explanations from management regarding the Entity. At the conclusion of our engagement, we will require, as a precondition to the issuance of our report, that management provide certain representations in a written representation letter. The procedures we will perform in our engagement and the conclusions we reach as a basis for our report will be heavily influenced by the written and oral representations that we receive from management. In view of the foregoing, the Entity agrees to release our firm, its shareholders, and other personnel from any liability and costs relating to our services under this letter resulting from false or misleading representations made to us by any member of the Entity's management.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying for us previous financial audits, attestation engagements, performance audits or other related studies. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or other studies. Management is responsible for providing its views on our current findings, conclusions, and recommendations, as well as management's planned corrective actions, for the report, and for the timing and format for providing that information.

ENGAGEMENT FEES

We estimate that our fixed fees for the services previously outlined will be as follows:

<u>Fiscal Year</u>	<u>20/21</u>	<u>21/22</u>	<u>22/23</u>	<u>23/24</u>
Audit	\$8,300	8,450	8,625	8,800
Optional Preparation of MD&A	<u>250</u>	<u>255</u>	<u>260</u>	<u>265</u>
Total	<u>\$8,550</u>	<u>8,705</u>	<u>8,885</u>	<u>9,065</u>

Additionally, our fees are dependent on the availability, quality, and completeness of the Entity’s records and, where applicable, upon the Entity’s personnel providing the level of assistance identified in the “prepared by client” request list distributed at the end of our planning work (e.g., Entity employees preparing confirmations and schedules we request, locating documents selected by us for testing, etc.).

Should our assumptions with respect to these matters be incorrect, or should the condition of the records, degree of cooperation, or other matters beyond our reasonable control require additional commitments by us beyond those upon which our estimated fees are based, we may adjust our fees and planned completion dates. If significant additional time is necessary, we will discuss it with management and arrive at a new fee estimate as soon as reasonably practicable.
