CALIFORNIA LEGISLATURE— 2021–2022 REGULAR SESSION

**ASSEMBLY BILL**

**NO. 1021**

**Introduced by Assembly Member Mayes**

**February 18, 2021**

An act to add Section 56378.2 to the Government Code, relating to irrigation districts, and declaring the urgency thereof, to take effect immediately.

**LEGISLATIVE COUNSEL'S DIGEST**

AB 1021, Mayes. Imperial Irrigation District.

(1) The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 provides the authority and procedure for the initiation, conduct, and completion of changes of organization, reorganization, and sphere of influence changes for cities and districts, as specified. Under the act, each local agency formation commission is required to initiate and make studies of existing governmental agencies, including, but not limited to, studies to determine each local agency's maximum service area and service capacities.

This bill would require the local agency formation commissions for the County of Imperial and the County of Riverside to conduct and publish on their internet websites a joint study of options for providing continued publicly owned and managed electrical service in perpetuity to the Imperial Irrigation District's electrical service area, as defined, customers and options for alternative governance structures that would extend voting rights to registered voters who reside within the Imperial Irrigation District electrical service area to provide for

proportional representation on a governing board that will have primary jurisdiction on all electrical service matters, as specified. The bill would require the study to be published no later than July 1, 2022. By imposing new duties on the specified local agency formation commissions, the bill would impose a state-mandated local program.

(2) This bill would make legislative findings and declarations as to the necessity of a special statute for the Imperial Irrigation District.

(3) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

(4) This bill would declare that it is to take effect immediately as an urgency statute.

Vote: 2/3 Appropriation: no Fiscal Committee: yes Local Program: yes

## THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

**SECTION 1.** Section 56378.2 is added to the Government Code, to read:

**56378.2.** (a) Notwithstanding any other law, the commissions for the County of Imperial and the County of Riverside shall conduct and publish on their internet websites a joint study of both of the following:

(1) Options for providing continued publicly owned and managed electrical service in perpetuity to Imperial Irrigation District electrical service area customers prior to, and after, the expiration of the 99-year lease for power rights made between the Imperial Irrigation District and the Coachella Valley Water District in 1934.

(2) Options for alternative governance structures that would extend voting rights to registered voters who reside within the Imperial Irrigation District electrical service area to provide for proportional representation on a governing board that will have primary jurisdiction on all electrical service matters. Any findings shall isolate water rights and management as the sole responsibility of the current Imperial Irrigation District board of directors and shall not affect the water service area boundaries of the Imperial Irrigation District.

(b) The joint study described in subdivision (a) shall be published no later than July 1, 2022.

(c) For the purposes of this section, "electrical service area" means the area where the district provides retail electrical service that is outside of the district's boundaries.

**SEC. 2.** The Legislature finds and declares that a special statute is necessary and that a general statute cannot be made applicable within the meaning of Section 16 of Article IV of the California Constitution because of the conditions unique to the Counties of Imperial and Riverside and the Imperial Irrigation District.

**SEC. 3.** If the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.

**SEC. 4.** This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the California Constitution and shall go into immediate effect. The facts constituting the necessity are:

Due to the extreme conditions the state is facing regarding energy, it is necessary for the Imperial Irrigation District to address these issues affecting customers within their service area as soon as possible.

**The Riverside Local Agency Formation Commission in conjunction with the Imperial Local Agency Formation Commission is soliciting proposals from qualified consultants to prepare an analysis of alternative governance structures and alternative electricity services provided by the Imperial Irrigation District (“Study”). This Study is a joint effort with the Imperial Local Agency Formation Commission as required to be undertaken by state legislation contained within AB 1021.**

# **REQUEST FOR PROPOSALS**

## **Alternative Governance Structures and Alternative Electricity Service Provision**

### **Imperial Irrigation District**

#### **I. OBJECTIVE**

The Riverside Local Agency Formation Commission (Riverside LAFCO) in conjunction with the Imperial Local Agency Formation Commission (Imperial LAFCO) is seeking proposals from professional consulting firms to prepare an "Alternative Governance Structures and Alternative Electricity Service Provision Study" (Study) for provision of electricity services by the Imperial Irrigation District (IID) within its current service delivery area, including within Riverside County, and proportional representation of the Riverside County customers on the IID Board of Directors for electricity service items only. This work is to be completed in compliance with applicable California Government Code Sections, Public Utility Code Sections, any related Statutes, recent legislation contained in AB 1021, and local Riverside LAFCO and Imperial LAFCO Policies. The purpose of this Study is to provide for an analysis of options for future governance of the IID to include proportional representation of Riverside County electricity customers being served by IID, and options for future electrical service provision by alternative public agencies if IID desires to terminate the service to Riverside and/or Imperial Counties. **NOTE- This Study is to focus on governance options and electricity service options for electricity only, and not water service.**

#### **II. BACKGROUND**

##### **Local Agency Formation Commissions:**

In 1963, the State Legislature established Local Agency Formation Commissions (LAFCOs) in each county to help direct and coordinate California's growth in a logical, efficient and orderly manner. LAFCOs are local public regulatory and planning bodies with specific authority to coordinate the orderly development of local agencies, such as cities and special districts, and associated provision of public services. This is accomplished primarily through the regulation of public agency boundaries. This authority extends to all cities and dependent and independent special districts within each county in the state. Riverside LAFCO and Imperial LAFCO cover Riverside County and Imperial County respectively.

##### **Imperial Irrigation District:**

Established by a vote of the people in 1911, IID is one of the nation's largest irrigation districts, providing water to 520,000 acres of land through over 3,000 miles of canals. IID possesses rights

to 2.6 million acre-feet of water from the Colorado River, which is 60 percent of the 4.4 million acre feet allocated to California. IID entered the electric power business in 1936 in conjunction with the construction of the All-American Canal. IID anticipated that hydroelectric power generated from five falling water drops on the All-American Canal would enable them to set power rates considerably lower than the competition at that time. Congress authorized construction of the All-American Canal to Coachella Valley.

However, in negotiating repayment contracts with the United States, it was necessary that both the water and power rights of IID and the Coachella Valley Water District be determined. According to the terms of a 1934 agreement between Imperial and Coachella, IID was given first rights to water delivered through the All-American Canal and a 99-year lease on any power rights Coachella had on the canal. As rental for power rights, IID agreed to pay Coachella Valley Water District a percentage of the net proceeds from its power system and Coachella in turn authorized IID to provide power service to the Coachella Valley.

Currently, IID's district boundaries encompass all of Imperial County. IID also provides electrical service to parts of San Diego County, as well as the cities of Indio, Coachella, Desert Mirage, La Quinta and a large area and several communities in unincorporated areas in the Coachella Valley, located in Riverside County. IID's energy sales dwarf their water sales by an order of magnitude: in 2019, energy sales revenues totaled \$421 million, compared to \$50 million in water sales. As of 2018, about 239,000, or 55%, of IID's energy customers resided in Riverside County, outside the boundaries of IID, and the Riverside County share of electric customers has grown since.

### **The Alternative Governance Structures and Alternative Electricity Service Provision Study:**

One of the functions authorized for LAFCOs to perform are special studies for review of potential governance and services scenarios for areas where such a study will provide for potential future options available for governance and services to a specific area. Since 1934, under the previously noted services agreement, IID has been providing electrical service to a large area of Riverside County. However, as the actual IID jurisdictional boundaries do not extend into Riverside County, no Riverside County registered voters are eligible to serve on IID's Board of Directors. Over the last several years dating back to 2003, efforts to provide a proportional level of representation by Riverside County customers in the decision-making process via various avenues, including legislative efforts have been unsuccessful.

Assembly Bill 1021 requires Riverside LAFCO and Imperial LAFCO to conduct a joint study and, by July 1, 2022, publish the results of the study on their websites for the two items outlined as follows:

- "Options for providing continued publicly owned and managed electrical service in perpetuity to Imperial Irrigation District electrical service area customers prior to, and after, the expiration of the 99-year lease for power rights made between the Imperial Irrigation District and the Coachella Valley water District in 1934."

- "Options for alternative governance structures that would extend voting rights to registered voters who reside within the Imperial Irrigation District electrical service area to provide for proportional representation on a governing board that will have primary jurisdiction on all electrical service matters. Any findings shall isolate water rights and management as the sole responsibility of the current Imperial Irrigation District board of directors and shall not affect the water service area boundaries of the Imperial Irrigation District."

### **III. SCOPE OF SERVICES**

A draft Scope of Services is attached with this RFP as Attachment A. A final Scope of Services will be negotiated with the consulting firm selected to conduct the service review and will be included as part of the professional services agreement. Maps depicting the IID service boundaries and electrical services areas are included in Attachment B. A copy of Riverside LAFCO's standard Professional Services Agreement is included as Attachment C. Other relevant information, including links to AB 1021, are included in Section XIV- Reference Information in this RFP.

### **IV. BUDGET**

Proposals that demonstrate that the final product will meet the requirements of this RFP and provide useful information in a concise format at a low cost will be looked upon most favorably. A final budget amount for this project will be negotiated with the firm selected for the work prior to execution of an agreement.

9 subcontractors, agents or representatives arising out of or in any way relating to this  
10 Agreement, including but not limited to property damage, bodily injury, or death or  
11 any other element of any kind or nature whatsoever and resulting from any reason  
12 whatsoever arising from the performance of CONTRACTOR, its officers, agents,  
13 employees, subcontractors, agents or representatives from this Agreement;  
14 CONTRACTOR shall defend and be responsible for, at its sole expense, all costs and  
15 fees, including but not limited to attorneys' fees, costs of investigation, defense and  
16 settlements or awards in any claim or action based upon such alleged acts or  
17 omissions.

18 **5.2** With respect to any action or claim subject to indemnification herein by  
19 CONTRACTOR, CONTRACTOR shall, at its sole cost, have the right to use counsel  
20 of its own choice and shall have the right to adjust, settle, or compromise any such  
21 action or claim without the prior consent of LAFCO; provided, however, that any  
22 such adjustment, settlement or compromise in no manner whatsoever limits or  
23 circumscribes CONTRACTOR's indemnification to LAFCO as set forth herein.  
24 CONTRACTOR's obligation to defend, indemnify and hold harmless LAFCO shall  
25 be subject to LAFCO having given CONTRACTOR written notice within a  
26 reasonable period of time of the claim or the commencement of the related action, as  
27 the case may be, and information and reasonable assistance, at the CONTRACTOR's  
28 expense, for the defense or settlement thereof. CONTRACTOR's obligation

hereunder shall be satisfied when CONTRACTOR has provided to LAFCO the appropriate form of dismissal relieving LAFCO from any liability for the action or claim involved. Section 5 shall survive the termination of this Agreement.

**5.3** The specified insurance limits required in the Agreement shall in no way limit or circumscribe CONTRACTOR's obligations to indemnify and hold harmless LAFCO herein from third party claims.

**6. Waiver of Default**

Any waiver by LAFCO of any breach of any one or more of the terms of this Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or of any other term hereof. Failure on the part of LAFCO to require exact, full and complete compliance with any terms of this Agreement shall not be construed as in any manner changing the terms hereof, or stopping LAFCO from enforcement hereof.

**7. Availability of Funding**

LAFCO's obligation for payment of any contract beyond the current fiscal year end is contingent upon the availability of funding from which payment can be made. No legal liability on the part of LAFCO shall arise for payment beyond June 30 of the calendar year unless funds are made available for such performance. If funds will not be available, LAFCO shall provide notice to CONTRACTOR as soon as this fact is known.

**8. Termination**

**8.1** LAFCO may terminate this Agreement without cause upon 30 days' written notice served upon CONTRACTOR stating the extent and effective date of termination.

**8.2** LAFCO may, upon five (5) days' written notice, terminate this Agreement for CONTRACTOR's default, if CONTRACTOR refuses or fails to comply with the provisions of this Agreement or fails to make progress so as to endanger performance and does not cure such failure within a reasonable period of time. In the event of such termination, LAFCO may proceed with the work in any manner deemed proper to LAFCO.

1       **8.3**     After receipt of the Notice of Termination pursuant to paragraph 8.1 or 8.2 above,  
2       CONTRACTOR shall:

3       a.) Stop all work under this Agreement on the date specified in the Notice of  
4       Termination.

5       b.) Transfer to LAFCO and deliver in the manner, and to the extent, if any, as  
6       directed by LAFCO, any equipment, information, data or reports which, if the  
7       Agreement had been completed, would have been required to be furnished to  
8       LAFCO;

9       **8.4**     After termination pursuant to paragraph 8.1 or 8.2 above, LAFCO shall make  
10      payment for all services performed in accordance with this Agreement as of the date  
11      of termination, a total amount which bears the same ratio to the total maximum fee  
12      otherwise payable under this Agreement as the services actually bear to the total  
13      services necessary for performance of this Agreement.

14      **8.5**     Notwithstanding any of the provisions of this Agreement, CONTRACTOR's rights  
15      under this Agreement shall terminate (except for fees accrued prior to the date of  
16      termination) upon dishonesty, a willful or material breach of this Agreement by  
17      CONTRACTOR, or in the event of CONTRACTOR's unwillingness or inability for  
18      any reason whatsoever to perform the duties hereunder. In such event,  
19      CONTRACTOR shall not be entitled to any further compensation under this  
20      Agreement.

21      **8.6**     The rights and remedies of LAFCO provided in this section shall not be exclusive  
22      and are in addition to any other rights and remedies provided by law or under this  
23      Agreement.

24    **9.     Disputes**

25      Except as otherwise provided in this Agreement, any dispute concerning a question of fact  
26      arising under this Agreement which is not disposed of by agreement shall be decided by the  
27      Executive Officer, who shall furnish the decision in writing. The decision of the Executive Officer  
28      shall be final and conclusive unless determined by a court of competent jurisdiction to have been

1 fraudulent or capricious, or arbitrary, or so grossly erroneous as necessarily to imply bad faith.  
2 CONTRACTOR shall proceed diligently with the performance of the Agreement pending the  
3 Executive Officer's decision.

4 **10. Alteration**

5 Modifications or changes to the scope of work or this Agreement may only be made by  
6 written amendment to this Agreement signed by either the LAFCO Chair or the Executive Officer  
7 and CONTRACTOR.

8 **11. Independent Contractor**

9 **11.1** CONTRACTOR is, for purposes arising out of this Agreement, an independent  
10 contractor and shall not be deemed an employee of LAFCO. It is expressly  
11 understood and agreed that CONTRACTOR shall in no event, as a result of this  
12 Agreement, be entitled to any benefits to which LAFCO employees are entitled,  
13 including but not limited to overtime, any retirement benefits, worker's compensation  
14 benefits, and injury leave or other leave benefits. CONTRACTOR hereby holds  
15 LAFCO harmless from any and all claims that may be made against LAFCO based  
16 upon any contention by any third party that an employer-employee relationship exists  
17 by reason of this Agreement.

18 **11.2** It is further understood and agreed by the parties hereto that CONTRACTOR, in the  
19 performance of its obligations hereunder, is subject to the control or direction of  
20 LAFCO merely as to the result to be accomplished by the services hereunder agreed  
21 to be rendered and performed and not as to the means and methods for accomplishing  
22 the results.

23 **11.3** CONTRACTOR shall provide and maintain, throughout the term of this Agreement,  
24 CONTRACTOR's own workplace, tools, equipment, and supplies necessary to  
25 perform the duties set forth under this Agreement. Notwithstanding the foregoing,  
26 LAFCO may, in its sole discretion, and with its prior written consent, provide access  
27 to LAFCO facilities, offices, or meeting rooms during regular work hours for  
28 meetings, conferences, or other work of CONTRACTOR.

1       **11.4**   CONTRACTOR has the right to perform services for other clients during the term  
2                   of this Agreement as long as such services are not in direct conflict with the services  
3                   provided to LAFCO.

4 **12.   Subcontract for Work or Services**

5       No Agreement shall be made by CONTRACTOR with any party for furnishing any of the  
6 work or services herein contained without the prior written approval of the Executive Officer, but  
7 this provision shall not require the approval of contracts of employment between CONTRACTOR  
8 and personnel assigned for services thereunder, or for parties named in the proposal and agreed to  
9 under any resulting contract. The following individuals are acknowledged as subcontractors to

10 \_\_\_\_\_ for this project: \_\_\_\_\_.

11 **13.   Interest of Contractor**

12       CONTRACTOR covenants that it presently has no interest in, including but not limited to,  
13 other projects, and independent contracts, and shall not acquire any such interest, direct or indirect,  
14 which would conflict in any manner or degree with the performance of services required to be  
15 performed under this Agreement. CONTRACTOR further covenants that in the performance of this  
16 Agreement, no person having any such interest shall be employed or retained by it.

17 **14.   Conduct of Contractor**

18       **14.1**   CONTRACTOR agrees to inform LAFCO of all CONTRACTOR's and  
19 subcontractors' interest(s), if any, which are or which CONTRACTOR believes to  
20 be incompatible with any interest of LAFCO.

21       **14.2**   CONTRACTOR and subcontractors shall not act, under any circumstances, in a  
22 manner that might reasonably be interpreted as an attempt to influence the recipient  
23 in the conduct of its duties, or accept any gratuity or special favor from individuals  
24 or organizations with whom CONTRACTOR or subcontractors are doing business  
25 or proposing to do business, in accomplishing the work under the Agreement.

26       **14.3**   CONTRACTOR, subcontractors or employees thereof shall not offer gifts, gratuity,  
27 favors and/or entertainment directly or indirectly to LAFCO employees.

28 //

1 **15. Disallowance**

2 In the event CONTRACTOR receives payment for services under this Agreement that is  
3 later disallowed by LAFCO for nonconformance with the terms and conditions herein, and LAFCO  
4 provides written notice to CONTRACTOR of same, CONTRACTOR shall promptly refund the  
5 disallowed amount to LAFCO on request, or at its option, LAFCO may offset the amount disallowed  
6 from any payment due to CONTRACTOR under any agreement with LAFCO.

7 **16. Governing Law; Jurisdiction; Severability**

8 This Agreement and its construction and interpretation as to validity, performance and  
9 breach shall be construed under the laws of the State of California. Any legal action related to this  
10 Agreement shall be filed in the Superior Court of the State of California located in Riverside,  
11 California. In the event any provision in this Agreement is held by a court of competent jurisdiction  
12 to be invalid, void, or unenforceable, the remaining provisions will nevertheless continue in full  
13 force without being impaired or invalidated in any way.

14 **17. Insurance**

15 Without limiting or diminishing CONTRACTOR's obligation to indemnify or hold LAFCO  
16 harmless, CONTRACTOR shall procure and maintain or cause to be maintained, at its sole cost and  
17 expense, the following insurance coverages during the term of this Agreement.

18 **17.1 Workers' Compensation**

19 If CONTRACTOR has employees as defined by the State of California,  
20 CONTRACTOR shall maintain statutory Workers' Compensation Insurance  
21 (Coverage A) as prescribed by the laws of the State of California. Policy shall include  
22 Employers' Liability (Coverage B) including Occupational Disease with limits not  
23 less than one million dollars (\$1,000,000) per person per accident. The policy shall  
24 be endorsed to waive subrogation in favor of LAFCO, and, if applicable, to provide  
25 a Borrowed Servant/Alternate Employer Endorsement.

26 **17.2 Commercial General Liability**

27 CONTRACTOR shall procure and maintain Commercial General Liability insurance  
28 coverage, including but not limited to, premises liability, contractual liability,

1 products and completed operations liability, personal and advertising injury covering  
2 claims which may arise from or out of CONTRACTOR's performance of its  
3 obligations hereunder. Policy shall name LAFCO and all its commissioners,  
4 employees, agents or representatives as Additional Insureds. Policy's limit of  
5 liability shall not be less than one million dollars (\$1,000,000) per occurrence  
6 combined single limit. If such insurance contains a general aggregate limit, it shall  
7 apply separately to this Agreement or be no less than two (2) times the occurrence  
8 limit.

9 **17.3 Vehicle Liability**

10 If CONTRACTOR's vehicle or mobile equipment are used in the performance of the  
11 obligations under this Agreement, then CONTRACTOR shall maintain liability  
12 insurance for all owned, non-owned or hired vehicles so used in an amount not less  
13 than one million dollars (\$1,000,000) per occurrence combined single limit. If such  
14 insurance contains a general aggregate limit, it shall apply separately to this  
15 Agreement or be no less than two (2) times the occurrence limit. Policy shall name  
16 LAFCO and all its commissioners, employees, agents or representatives as  
17 Additional Insureds.

18 **17.4 Professional Liability Insurance**

19 CONTRACTOR shall maintain Professional Liability Insurance providing coverage  
20 for CONTRACTOR's performance of work included within this Agreement, with a  
21 limit of liability of not less than one million dollars (\$1,000,000) per occurrence and  
22 two million dollars (\$2,000,000) annual aggregate. If CONTRACTOR's  
23 Professional Liability Insurance is written on a claims made basis rather than an  
24 occurrence basis, such insurance shall continue through the term of this Agreement  
25 and CONTRACTOR shall purchase at its sole expense either 1) an Extended  
26 Reporting Endorsement (also known as Tail Coverage); or 2) Prior Dates Coverage  
27 from new insurer with a retroactive date back to the date of, or prior to, the inception  
28 of this Agreement; or 3) demonstrate through Certificates of Insurance that

1 CONTRACTOR has maintained continuous coverage with the same or original  
2 insurer. Coverage provided under items 1), 2) or 3) shall continue for a period of  
3 three (3) years beyond the termination of this Agreement, if available.

4 **17.5 General Insurance Provisions – All Lines**

5 **17.5.1** Any insurance carrier providing insurance coverage hereunder shall be admitted  
6 to the State of California and have an AM BEST rating of not less than A: VIII  
7 (A:8) unless such requirements are waived, in writing, by the LAFCO Risk  
8 Manager. If the LAFCO Risk Manager waives a requirement for a particular  
9 insurer, such waiver is only valid for that specific insurer and only for one policy  
10 term.

11 **17.5.2** CONTRACTOR's insurance carrier(s) must declare its insurance deductibles or  
12 self-insured retentions. If such deductibles or self-insured retentions exceed five  
13 hundred thousand dollars (\$500,000) per occurrence, such deductibles and/or  
14 retentions shall have the prior written consent of the LAFCO Risk Manager  
15 before the commencement of operations under this Agreement. Upon  
16 notification of deductibles or self-insured retentions unacceptable to LAFCO,  
17 and at the election of the LAFCO Risk Manager, CONTRACTOR's carriers  
18 shall either; 1) reduce or eliminate such deductibles or self-insured retentions  
19 with respect to this Agreement with LAFCO, or 2) procure a bond which  
20 guarantees payment of losses and related investigations, claims administration,  
21 and defense costs and expenses.

22 **17.5.3** CONTRACTOR shall cause CONTRACTOR's insurance carrier(s) to furnish  
23 LAFCO with either 1) a properly executed original Certificate(s) of Insurance  
24 and certified original copies of Endorsements effecting coverage as required  
25 herein, or 2) if requested to do so orally or in writing by the LAFCO Risk  
26 Manager, provide original Certified copies of policies including all  
27 Endorsements and all attachments thereto, showing such insurance is in full  
28 force and effect. Further, said Certificate(s) and policies of insurance shall

1 contain the covenant of the insurance carrier(s) that thirty (30) days' written  
2 notice shall be given to LAFCO prior to any material modification, cancellation,  
3 expiration or reduction in coverage of such insurance. In the event of a material  
4 modification, cancellation, expiration, or reduction in coverage, this Agreement  
5 shall terminate forthwith, unless LAFCO receives, prior to such effective date,  
6 another properly executed original Certificate of Insurance and original copies  
7 of endorsements or certified original policies, including all endorsements and  
8 attachments thereto evidencing coverage's set forth herein, and the insurance  
9 required herein is in full force and effect. ***CONTRACTOR shall not commence***  
10 ***operations until LAFCO has been furnished original Certificate(s) of***  
11 ***Insurance and certified original copies of endorsements or policies of***  
12 ***insurance including all endorsements and any and all other attachments as***  
13 ***required in this Section. An individual authorized by the insurance carrier to***  
14 ***do so on its behalf shall sign the original endorsements for each policy and***  
15 ***the Certificate of Insurance.***

16 **17.5.4** It is understood and agreed to by the parties hereto and the insurance company(s)  
17 that CONTRACTOR's Certificate(s) of Insurance and policies shall so covenant  
18 and shall be construed as primary insurance, and LAFCO'S insurance and/or  
19 deductibles and/or self-insured retentions or self-insured programs shall not be  
20 construed as contributory.

21 **17.5.5** LAFCO'S Reserved Rights-Insurance. If, during the term of this Agreement or  
22 any extension thereof, there is a material change in the scope of services,  
23 LAFCO reserves the right to adjust the types of insurance required under this  
24 Agreement and the monetary limits of liability for the insurance coverage  
25 currently required herein, if, in the LAFCO Risk Manager's reasonable  
26 judgment, the amount or type of insurance carried by CONTRACTOR has  
27 become inadequate.

28 **17.5.6** CONTRACTOR shall pass down the insurance obligations contained herein to

all tiers of subcontractors working under this Agreement.

17.5.7 The insurance requirements contained in this Agreement may be met with a program(s) of self-insurance acceptable to LAFCO.

**18 Licensing and Permits**

18.1 All offerors and contractors shall be licensed, if required, in accordance with the laws of this State and any offeror or contractor not so licensed is subject to the penalties imposed by such laws.

18.2 CONTRACTOR further warrants that it has all necessary permits, approvals, certificates, waivers and exemptions necessary for the provision of services hereunder and required by the laws and regulations of the United States, State of California, the County of Riverside and all other appropriate governmental agencies, and shall maintain these throughout the term of this Agreement.

**19 Contractor's Responsibility**

19.1 It is understood that CONTRACTOR has the skills, experience and knowledge necessary to perform the services agreed to be performed under this Agreement, and that LAFCO relies upon CONTRACTOR's representations about its skills, experience and knowledge to perform CONTRACTOR's services in a competent manner. Acceptance by LAFCO of the services to be performed under this Agreement does not operate as a release of said CONTRACTOR from responsibility for the work performed.

19.2 It is further understood and agreed that CONTRACTOR is apprised of the scope of the work to be performed under this Agreement, and CONTRACTOR agrees that said work can and shall be performed in a fully competent manner.

**20 Conflict of Interest**

CONTRACTOR shall have no interest, and shall not acquire any interest, direct or indirect, which will conflict in any manner or degree with the performance of services required under this Agreement.

//

1 **21 Non-Discrimination**

2 CONTRACTOR shall not discriminate in the provision of services, allocation of benefits,  
3 accommodation in facilities, or employment of personnel on the basis of ethnic group identification,  
4 race, religious creed, color, national origin, ancestry, physical handicap, medical condition, marital  
5 status or sex in the performance of this Agreement, and, to the extent they are found to be applicable  
6 hereto, shall comply with the provisions of the California Fair Employment Practices Act  
7 (commending with Section 1410 of the Labor Code), the Federal Civil Rights Act of 1964 (P.L. 88-  
8 352), the Americans with Disabilities Act of 1990 (42 U.S.C. §12101 et seq.), and all other  
9 applicable laws and regulations.

10 **22 Assurances**

11 CONTRACTOR will comply with LAFCO policies and procedures where applicable. In  
12 the event that the policies and procedures promulgated by LAFCO are more restrictive than, but not  
13 in conflict with, Federal or State policies and procedures, those issued by LAFCO will prevail.

14 **23 Records and Documents**

15 CONTRACTOR shall make available, upon written request by LAFCO and any duly  
16 authorized Federal, State or County agency, a copy of this Agreement and such books, documents  
17 and records as are necessary to certify the nature and extent of the costs of the services provided by  
18 CONTRACTOR. All such books and records shall be maintained by CONTRACTOR for at least  
19 five (5) years from the termination of this Agreement and be available for audit by LAFCO.  
20 CONTRACTOR shall provide LAFCO with reports and information relative to this Agreement and  
21 in accordance with terms set forth herein, as requested by LAFCO. All work papers prepared by  
22 CONTRACTOR shall remain the property of CONTRACTOR.

23 **24 Confidentiality**

24 CONTRACTOR shall protect from unauthorized disclosure names and other identifying  
25 information concerning persons receiving services pursuant to this Agreement, except for statistical  
26 information not identifying any client. CONTRACTOR shall not use such information for any  
27 purpose other than carrying out CONTRACTOR's obligations under this Agreement.  
28 CONTRACTOR shall promptly transmit to LAFCO all requests for disclosure of such information

1 not emanating from the client. CONTRACTOR shall not disclose, except as otherwise specifically  
2 permitted by this Agreement or authorized by the client, any such information to anyone other than  
3 LAFCO. For purposes of this paragraph, identity shall include, but not be limited to, name,  
4 identifying number, symbol, or other identifying particular assigned to the individual, such as

7 (HIPAA), Public Law 104-191, enacted August 21, 1996, and the laws and regulations promulgated
